It was primarily a listening session and Will Baker had been wanting to meet with Administrator for a while. They did raise the riparian buffers issue as continued needed focus but the Administrator was in pure listening mode. (b) (5)

We are pleased to announce that EJ 101, Introduction to Environmental Justice Online Training (EJ 101) is again available on EPA's e-Learning site for your participation. Our colleagues at Skillport, the Office of Environmental Information and the Office of Environmental Justice have addressed the glitches from the training's initial release.

As stated in the initial announcement, EJ 101 is being required as mandatory for all Agency staff and managers. The expected completion date for this "one-time" requirement has been extended until September 30, 2014. You will find this 45-minute training on EPA's e-Learning website under your "My Plan" folder using the following link <https://epa.skillport.com/skillportfe/login.action> . The training will be permanently available in Skillport as a training and reference tool, and will be modified periodically.

Those users who have previously taken the training but did not receive a Certificate of Completion will need to revisit the course, click the Main Menu, select the Assessment, and receive an 80% or better on the Knowledge Assessment to meet their requirement and be eligible to receive one Continuous Learning Point (CLP) towards meeting recertification requirements.

Individuals who use Assistive technology should visit <http://intranet.epa.gov/oeca/oej/training/ej101/in dex.html> to access the ALT Text Version of the online training. This alternative text version is intended only for employees with disabilities that use Assistive Technology. Since completion of text version cannot be automatically tracked, please notify your EJ Coordinator in your respective AAship or Region once you have read, understood, and completed the course, to ensure that you receive proper education and training credits.

We apologize for any inconvenience and appreciate your patience.

Hi Denise,

Hope you had a beautiful weekend!

Could you tell me if the ECOS 2014 Annual Meeting
<<http://www.ecos.org/section/events/?id=4920>> is on the Deputy's

calendar? It is scheduled for Sept. 15-17 in Santa Fe, NM.

The agenda is still being drafted at ECOS, but they wanted to get this on the calendar sooner rather than later. Could you put a hold on the following times?

* Sept. 15 breakfast time through Sept. 17 lunchtime - ECOS Annual Meeting, La Fonda on the Plaza, Santa Fe, NM

* Sept. 17 lunchtime through Sept. 18 end of day - EELC Meeting (tentative), La Fonda on the Plaza, Santa Fe, NM

Let me know if you have any questions – thanks!

 HI Denise-

Folks from OW and OCFO are calling into the SRF Strategy call today at

12:30pm. There was a request to have the call moved to Lisa's office (there is no room now) so that everyone is in the same place and not talking over each other. The meeting is currently from OMB so maybe a separate invite with her room on it?
Is that possible?

The EPA folks to attend are :

Ken Kopocis
Mike Shapiro
Carol Terris
